- Inter-Service Focus
  - Still answers GAO/IG audits
  - ‘Intra-Service’ addressed only to acknowledge interface with DLA Distribution Depot
- Eliminate reference to ‘FTA’ for DMISA
- Strengthen Procedures
  - ‘Accountable’ wording consistent with MILSTRAP, Chapter 7
  - Requisition Repairable to Induct
  - Receipt/Issue between storage and maintenance
- Eliminate Management Code ‘V’ procedures
- Updated references, numbering protocol, definitions, etc.
